European emigration can be defined as subsequent emigration waves from the European continent to other continents. The origins of the various European diasporas can be traced to the people, who left the European nation states or stateless ethnic communities on the European continent.. From 1815 to 1932, 60 million people left Europe (with many returning home), primarily to "areas of European ...

In Search of Book of Mormon Geography. Below is the modern map of the area of Smith's Youth. The Book of Mormon is supposed to be a history of real people living in a real place. For the first 150 years of Mormonism's existence, everyone thought it was a story about a people who left the Middle East and came to South or Central America, and who fought wars clear up into New York state where ...
