R. Pomeroy A good aquaculture business proposal or plan will result in fewer mistakes in the business and exposes thoughts, assumptions, and research findings to reason. A business plan is also needed to secure financing. This 1-page fact sheet will help you develop your plan. Free. Download PDF

Aquaculture | Connecticut Sea Grant

The Aquaculture Development Plan outlined impediments to the development of aquaculture in New Jersey. The New Jersey Aquaculture Development Act was adopted in an attempt to address these impediments. One of the key provisions of the Aquaculture Development Act was the adoption of applicable portions of the State Aquaculture Development Plan.
