Warriors of Chaos is a Warhammer army book for the Warhammer Fantasy Battle game. The book gives rules for playing an army of the human Chaos-worshippers from the Chaos wastes of the north, as well as in-game background information on such individuals. Within the game, the forces of Chaos were originally represented by a single army, but were later split into separate armies – daemons ...

Drawing Hands is a lithograph by the Dutch artist M. C. Escher first printed in January 1948. It depicts a sheet of paper out of which, from wrists that remain flat on the page, two hands rise, facing each other and in the paradoxical act of drawing one another into existence. Although Escher used paradoxes in his works often, this is one of the most obvious examples.
