

### **law business society tony pdf**

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.

A trust is a three-party fiduciary relationship in which the first party, the trustor or settlor, transfers ("settles") a property (often but not necessarily a sum of money) upon the second party (the trustee) for the benefit of the third party, the beneficiary.. A testamentary trust is created by a will and arises after the death of the settlor. An inter vivos trust is created during the ...
