September 1, 2018 - The Real Job - The one repair that has been holding up real progress on Penelope is the front frame leg replacement. It looks like a big job and involves cutting and welding on critical parts of the chassis. Still, if I want to get the car back on the road I have to do the work.

The Mini is a small economy car produced by the English-based British Motor Corporation (BMC) and its successors from 1959 until 2000. The original is considered an icon of 1960s British popular culture. Its space-saving transverse engine front-wheel drive layout " allowing 80 percent of the area of the car's floorpan to be used for passengers and luggage " influenced a generation of car ...
