For some boards, the first self-assessment experience feels awkward and somewhat daunting. However, if the process and the consequences are accepted, the first assessment should result in a beneficial learning experience.

Successful Board Self-Assessment - BoardSource

Psychological testing is the administration of psychological tests, which are designed to be "an objective and standardized measure of a sample of behavior". The term sample of behavior refers to an individual's performance on tasks that have usually been prescribed beforehand. The samples of behavior that make up a paper-and-pencil test, the most common type of test, are a series of items.
