Slavery - Wikipedia

The history of slavery spans many cultures, nationalities, and religions from ancient times to the present day. However the social, economic, and legal positions of slaves were vastly different in different systems of slavery in different times and places. Slavery appears in the Mesopotamian Code of Hammurabi (c. 1860 BC), which refers to it as an established institution.

History of slavery - Wikipedia

The title page of a slave narrative bears significant clues as to the authorship of the narrative itself. Subtitles often convey the role that the subject named in the narrative's title actually played in the production of the narrative.
