This page includes links to the current T10 working draft documents. There are no approved, official standards here. In accordance with the INCITS Organization, Policies and Procedures, once a working draft is sent to INCITS for final approval, the link is deactivated for guest access. At this point, guests need to purchase the approved standard, for a reasonable fee, using this link.

The architecture of Denmark has its origins in the Viking period, richly revealed by archaeological finds. It became firmly established in the Middle Ages when first Romanesque, then Gothic churches and cathedrals

sprang up throughout the country. It was during this period that, in a country with little access to stone, brick became the construction material of choice, not just for churches but ...
